

Year 3 Week Six 01.06.20 – 05.06.20

Monday	Tuesday	Wednesday	Thursday	Friday
<p>English Descriptive Writing Using the skills you have learnt today, write a description of a place you have experienced. It may be your garden, a place on your walk or a holiday you remember. What sounds did you hear? What did you see? Can you find suitable adjectives for your work?</p>	<p>English Exploring Fronted Adverbials https://wordwall.net/resource/49198/english/fronted-adverbial-starters-random-wheel Use the spinner above to come up with your own sentences with fronted adverbials.</p>	<p>English Revising apostrophes in contractions https://www.learninggamesforkids.com/vocabulary-games/contractions/pick-the-correct-contraction.html Pick the correct contraction to complete these sentences.</p>	<p>English Revising apostrophes for possession Circle the sentence with the correct use of apostrophe for possession.</p> <ol style="list-style-type: none"> <i>The girl's walked outside towards the car.</i> <i>Kell'ys coat was on the floor so Bryan picked it up.</i> <i>Gracie really liked Pippa's new, leather bag.</i> <p>Can you explain why the other two are incorrect?</p>	<p>English Reading lesson: Using inference to be a reading detective We talk about inference as being 'clue-finding' in class. Authors drop clues in stories and we take in the meaning.</p> <p>Can you write a short piece of writing about a hot, sunny day but you cannot say it is hot? What clues could you use to tell your reader? Here is mine: <i>The ice lolly melted and dribbled down the stick, leaving Eve's fingers sticky. She sheltered under the umbrella in her garden while her dog panted uncomfortably. Plants wilted and their faces looked down to the baking ground.</i></p>
<p>Maths Making fractions on a number-line below 1 Can you represent the fraction below in as many ways as you can?</p>	<p>Maths Making fractions on a number-line above 1 Can you continue the number-line to 4?</p>  <p>Use this number-line to help you work out some additions and subtractions of your choice.</p>	<p>Maths Unit fraction of an amount Today and tomorrow, have a go at the fractions of amounts challenges below. These are like our star challenges in Maths.</p>	<p>Maths Non-unit fraction of an amount of a set of objects As before.</p>	<p>Maths Challenge of the week Don't forget to share your answers!</p>
<p>History The Iron Age Use this helpful website to find out more about the Iron Age: https://www.dkfindout.com/uk/history/iron-age/</p>	<p>Geography Weather and Climate Look at the statements below and sort them into two columns; Weather and Climate. Which ones refer to the weather? Which ones refer to the climate of a place?</p> <p><i>Weather is the condition of the environment at any time- such as the temperature, cloud cover, fog conditions, air pressure, humidity and precipitation. Today the weather might be sunny with a clear sky and tomorrow there might be clouds and rain.</i></p> <p><i>Climate is a long term pattern of the weather conditions. It is the average pattern of the weather conditions taken over a period of time, say 30 years, for a particular region.</i></p>	<p>Science Food chains Carry out the games on Food Chain Games on BBC Bitesize. We would use these in class to explore food chains in different environments. Make you own food chain paper chain! On each link, write or draw the next living thing in the food chain. What producers can you think of? How many paper chains can you make?</p>	<p>French All about me and food and drink Below are French food dominoes. Cut them out, shuffle them and play with someone in your family!</p>	<p>Design and Technology Iterative design Share your designs on our class Facebook page. Could you video the process or talk us through your work? It would be great to see your designs, tests and evaluations!</p>

Spelling
<https://spellingframe.co.uk/>
A great website for practising your spellings.

Maths
Don't forget – you can also be using this time to get plenty of practise on your Maths Passport and TT Rockstars!
<https://www.topmarks.co.uk/>
This website includes lots of interactive games to practise your Maths Passport targets.

P.E.
Look up #ThisIsPE on YouTube for some short, simple videos from PE specialists that include activities you can easily do at home.
BBC Super Movers have many videos. These use actions and songs to support children in remembering facts too.

Maths

Bar model	$\frac{3}{4}$	Draw it
In words		Number line

Fractions of Amounts

Name: __

Mild Spicy 🌶️

- $\frac{1}{3}$ of 30
- $\frac{1}{4}$ of 20
- $\frac{1}{5}$ of 35
- $\frac{1}{6}$ of 36
- $\frac{1}{10}$ of 200
- $\frac{1}{8}$ of 40
- $\frac{1}{7}$ of 21

Medium Spicy 🌶️🌶️

- $\frac{3}{4}$ of 40
- $\frac{2}{9}$ of 18
- $\frac{7}{8}$ of 56
- $\frac{4}{9}$ of 27
- $\frac{5}{6}$ of 66
- $\frac{7}{10}$ of 200
- $\frac{4}{5}$ of 20

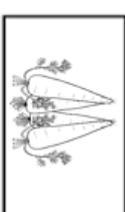

Hot and Spicy 🌶️🌶️🌶️

- $\frac{2}{7}$ of 91
- $\frac{7}{8}$ of 1600
- $\frac{4}{9}$ of 20
- $\frac{8}{9}$ of 360
- $\frac{7}{10}$ of 2000
- $\frac{3}{7}$ of 105
- $\frac{2}{9}$ of 144

Geography

I will need to wear a jumper today. It seems a bit cool for September.	The heatwave in England lasted for 4 days.	There is typically more rain in February than there is in July.
The forecast says there will rain on Saturday but it will be warmer and brighter on Sunday.	There was frost on the ground this morning.	Alaska has around 200 inches of snow each year.
The rainforest in Costa Rica are warm and humid all year round.	We were caught in hail storms yesterday!	Madrid has an average winter temperature of 8°C.

French

							
un poisson	une viande	un gâteau	DEBUT	des oranges	des oignons	des raisins	des brocolis
							
des olives	un croissant	du fromage	du chocolat	des bananes	des pommes de terre	des pommes	des carottes
