

Year 3 Week Three 4.5.20 – 8.5.20				
Monday	Tuesday	Wednesday	Thursday	Friday
<p>English Used inverted commas to show speech Have a look at a book you are reading. Look carefully at the speech. How have the inverted commas been used? Can you see how speech starts with a capital letter and punctuation goes inside the inverted commas? Think of different speech for that character. What would you say in that situation? Write it down and punctuate with inverted commas.</p>	<p>English Expanded noun phrases Can you up-level these sentences by adding adjectives to create expanded noun phrases? 1. The troll waited under the bridge. 2. The crocodile stared across the swamp. 3. Katie continued to read her book in her office.</p>	<p>English Understanding what a recount is Look at the example recount below. Can you correct any mistakes in it?</p>	<p>English Reading lesson: Dindy and the Elephant by Elizabeth Laird</p>	<p>During the Bank Holiday, there will be no BBC Bitesize lessons but here are some activities you may wish to try: Choose an image from a magazine or a photo that you like. Cut it in half, glue it to a piece of paper and sketch the other half. You could colour it in afterwards.</p>
<p>Maths Converting pounds and pence Can you make these amounts using coins? How many different ways can you find of making the same amount? £2.67 £3.56 £9.20 £11.76</p>	<p>Maths Adding money A packet of carrots costs 79p and a packet of potatoes costs £1.20. I need to two packets of potatoes and two packets of carrots. How much does it cost? What method did you use to find the answer? Could it be done differently?</p>	<p>Maths Subtracting money I save up £25 a week for four weeks. I then spend £56. How much do I have left? I have £6.75 and spend £1.39. How much do I have left?</p>	<p>Maths Multiplying and dividing by 3 Can you use short division to answer these questions? $54 \div 3 =$ $87 \div 3 =$ $573 \div 3 =$ $978 \div 3 =$ If you need further help with short division, use this clip: https://www.youtube.com/watch?v=t_rjepeOy2rc</p>	<p>Our Science topic in school was 'Rocks and Soils'. We were about to start looking at and learning about soil! Research the questions; What is soil made from? Are all soils the same? Do plants all like the same soil?</p>
<p>History The Stone Age Create a piece of writing about Stonehenge and create a model of Stonehenge out of biscuits!</p>	<p>Geography Introduction to time zones Roughly what time is it now in: New York? Sydney? Madrid? Moscow?</p>	<p>Science What plants need to survive Read the questions below asking for advice about garden plants. Do you think you can work out what is going wrong?</p>	<p>Computing How to get computers to do what we want Using what you have learnt today, use post-it notes to create an algorithm for a simple activity, e.g. making breakfast or getting ready in a morning.</p>	<p>Carry out some of the V.E. Day ideas from our V.E. Day Learning Grid.</p>
<p>No Laptop or iPad? Check out these lessons on BBC iPlayer and the Red Button Service today. <ul style="list-style-type: none"> • Maths • History </p>	<p>No Laptop or iPad? Recount: A Trip to the National Zoo and Aquarium

yesterday my family and i went to the National Zoo and Aquarium to visit the new snow cubs and the other animals. In the morning wen we got to the Zoo and Aquarium there was a great big line so we had to wait a while to get in. After we entered the zoo, we went strait to the enclosure for the Snow Cubs. My brother and I were so excited to see them. They was so cute and playfull

at lunchtime we eight tuna sandwiches and crisps. We had some froot too and a chocolate biscuit. in the afternoon, we visited the aquarium. My brother was excited to sea the sharks and the tropical fish.

at the end of the day we were going to go and get ice cream but we decided we were two tired so we drove straight home.

Gardening advice

Hi! I wonder if you can help me. I have planted some sunflower seeds at the side of my house where it is shady. They aren't growing so well. What do you think is wrong?

Hello! I ordered some plants for my garden. The plot of soil I have isn't very big so I have had to plant them close together. They grew well to start off with but now some are starting to die off. What do you think has happened?

I have heard that plants like sun so I put my plant in a very sunny, hot spot in my garden. The leaves are starting to wilt and the plant looks very dry. Can you help me?
