Spelling

This week, we will be focusing on homophones. Don't forget to take part in the live spelling test on Friday! To practise your spellings through interactive activities, click this link: <https://spellingframe.co.uk/spelling-rule/24/21-Homophones-and-near-homophones-1-of-4>

Science

In class, we really enjoy watching the Reach Out Reporter news clips. Use this site to keep up to date and read about Science around the world!

<https://www.reachoutreporter.com/>

Outdoor learning

Some children in school have been doing lots of outdoor learning. Here are some activities we have done that you may want to try at home.

- Make a bug hotel! We watched videos about making them and created a plan of what we needed. We are in the process of making ours!
- Make a bird feeder. We made ours out of a plastic bottle and a wooden spoon but there are many ideas online!
- Go on a nature walk. You could look out for different types of wildlife, different plants and flowers and even look out for animal tracks. See the template below.
- Go on a mini-beast hunt! We used magnifying glasses to look at them closely.

Scavenger Hunt- Nature Walk

Can you find all 20?

 bird	 tree roots	 ant	 spiderweb
 green leaf	 acorn	 flower	 log
 two similar rocks	 mushroom	 squirrel	 tall grass
 stick that looks like a letter 'y'	 flying bug	 brown leaf	 cloud
 dandelion	 animal footprints	 wild berries	 pine cone
