

Year 4 Week Two 24.4.20 – 1.5.20				
Monday	Tuesday	Wednesday	Thursday	Friday
<p>English Identifying and using prepositions</p> <p>Please write five sentences using prepositions. Underline the prepositions you have used.</p> <p>Here are some to help you:</p> <p><i>through near between</i> <i>above behind inside</i> <i>against before after</i></p>	<p>English Using apostrophes to combine words</p> <p>In one minute, how many contractions can you think of? Have you put your apostrophes in the right places?</p>	<p>English Using apostrophes to show possession</p> <p>Apostrophes are tricky and are sometimes used incorrectly. Look at these sentences. Which have been punctuated properly?</p> <ol style="list-style-type: none"> Queue here for taxi's. I waited outside Sandie's Sandwich Shop. I really enjoy Michael Morpurgo's books. The sign said 'NO DOG'S ALLOWED'. 	<p>English Using inverted commas to show speech</p> <p>Have a look at a book you are reading. Look carefully at the speech. How have the inverted commas been used? Can you see how speech starts with a capital letter and punctuation goes inside the inverted commas? Think of different speech for that character. What would you say in that situation? Write it down and punctuate with inverted commas.</p>	<p>English Reading lesson: The Worst Witch by Jill Murphy</p>
<p>Maths Add two four-digit numbers</p> <p>Can you answer these addition questions? Which ones were harder?</p> <p>2147 + 1239 = 4252 + 2371 = 1313 + 7946 = 8372 + 3458 =</p>	<p>Maths Subtract two four-digit numbers</p> <p>Can you answer these subtraction questions? Which one was the hardest? Why?</p> <p>854 – 239 = 741 – 391 = 968 – 599 =</p>	<p>Maths Efficient addition and subtraction methods</p> <p>What methods would you use for each of these number sentences?</p> <p>483 + 99 = 334 + 869 = 199 + 54 =</p> <p>552 – 60 = 818 – 381 = 344 – 199 =</p>	<p>Maths Mixed addition and subtraction problems</p> <p>Research some word problems that involve addition and subtraction. What words tell you it is an addition or subtraction? Can you make some of your own word problems to post on our Facebook group?</p>	<p>Maths Challenge of the week</p>
<p>History What was pre-historic Britain like?</p> <ul style="list-style-type: none"> Can you create a time-line to show the progression from the Ice Age to the Iron Age? Include the facts you have learnt and any illustrations. Archaeologists have discovered cave drawings from the Ice Age. Can you create your own? You might use stained paper or even scratch your drawing into a stone! 	<p>Geography Contours, keys and symbols</p> <p>You're going to do really well with this lesson! Class Three are experts on map symbols! Focus now on contour lines. Can you find some OS map images, maybe on Google images? Have a look at those maps and look for the contour lines. What are they showing you?</p>	<p>Science States of Matter</p> <p>Use objects to show how particles are arranged in solids, liquids and gases.</p> 	<p>R.E. The Month of Ramadan</p> <p>Make a poster about Ramadan. What information did you learn from the clip? What else can you find out?</p>	<p>Music Rhythm and Percussion</p> <p>Design and make your own percussion instrument from recycled objects in your home!</p>
<p>No Laptop or iPad? Check out these lessons on BBC iPlayer and the Red Button Service today.</p> <ul style="list-style-type: none"> Maths – Column method addition History – Henry VIII: From Catholic to Protestant 	<p>No Laptop or iPad?
