

YEAR 5 22.06.20 – 26.06.20				
Any resources highlighted blue can be found at <a href="https://laughtonallsaints.org/kidszone/class/class-4">https://laughtonallsaints.org/kidszone/class/class-4</a>				
Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>English Comics</b> Read this <a href="#">information about Stan Lee</a>, the creator of Marvel characters you will no doubt recognise! Design your own superhero and <a href="#">write a comic</a> for them. Make sure you include the features mentioned.</p>	<p><b>English Analysing Play scripts</b> Write your own play script. It could be for a scene from a book, a moment during lockdown, or for Oliver asking for more! I have uploaded a <a href="#">presentation</a> which explains the parts of a play script, with examples.</p>	<p><b>English National Writing Day!</b> 24 word story challenge in 7 minutes. Share your sentences with us!  When written, proof-read it and find a creative way to present your best writing.</p>	<p><b>English Twelfth Night</b> Use your learning on play scripts to write a section of the play.  <b>Weekly reading text – Shakespeare reading text.</b> Choose whether to do the 2 star or the 3 star questions.</p>	<p><b>English Reading lesson: Macbeth retold by Marcia Williams</b></p> 
<p><b>Maths Subtract decimals using a formal method and involving exchange</b>  Challenge somebody at home to play <a href="#">Beat the Teacher</a> with decimal numbers. Greatest number wins!</p>	<p><b>Maths Subtract decimals with different decimal places</b>  Complete the missing numbers on the <a href="#">subtraction sheet</a>.  I have set you a MyMaths challenge for adding and subtracting decimals to recap on the recent learning.</p>	<p><b>Maths Multiply decimals by 10, 100 or 1000</b>  Complete the decimals <a href="#">place value grid</a>.  Assigned MyMaths activity for multiplying by 10, 100, 1000.</p>	<p><b>Maths Divide a one or two digit number by 10, 100, 1000 and identify the place value</b>  Resources attached (<a href="#">place value grid and triangle puzzle</a>) that we have used many times before.  Assigned MyMaths activity for dividing by 10, 100, 1000.</p>	<p><b>Maths Challenge of the week</b>  Let me know how you get on with today's maths challenges! 😊  Make jottings and drawings when working out, to help you understand what the question is asking.</p>
<p><b>History Kingdom of Benin</b> Create a <a href="#">research map</a> on Benin. Make sure you study the Ancient Kingdom of Benin, not the modern Republic of Benin. Can you find out the difference between these two places?</p>	<p><b>Geography Florida</b> Create a guide for why people should visit Florida. You could focus on one particular aspect or tourist attraction. Use the <a href="#">planning sheet</a>. Create an information book about Florida, including the location, weather, industry and tourist attractions.</p>	<p><b>Science Features of sound</b> Create a glossary of these words: pitch, volume, frequency, wavelength.  Complete the <a href="#">seeing sound experiment</a>.</p>	<p><b>Design and Technology Anthropometrics and ergonomics</b> Complete the <a href="#">activity</a> by collecting measurements on hand sizes. Please note – it mentions different ways of finding averages (mode, median, mean, range). At KS2, the curriculum only requires pupils to know how to calculate the mean average (add them all together and divide by how many there are). Those of us in school will share our hand measurements on the day so that you have enough data to use. 😊</p>	<p><b>French Vocabulary and grammar</b> Listen to the pronunciations of days, months and time and complete the online activities. Use <a href="https://www.french-games.net/frenchtopics">https://www.french-games.net/frenchtopics</a> for further practice.</p>

### Spellings

I hope you saw the video posted on Friday! This week we are recapping 'ch' making the /sh/ sound. You can practise these on <https://spellingframe.co.uk/> by going onto Year 3 and 4 spelling rule number 16.

*chef, machinery, chandelier, brochure,  
parachute, moustache*

**Year 5 and 6 word list words:** *harass, hindrance, existence,  
familiar*

I will hold a spelling test **next Friday** – I will let you know the time! ☺  
Be prepared for a mystery word using this week's spelling rule.

What is going on in the news this week?  
(<https://www.bbc.co.uk/newsround>)

Well done for those of you who have already completed a MyMaths activity. I would like you to complete at least one a week, which relates to your learning from the Bitesize resources. If you need further tasks or don't know your login details, please let me know.

This week, Sky Sports and the Youth Sport Trust team up to unite the country through sport with '**National School Sport Week**' at home.

There are five pages of activities - one for each day of the week. The useful resources are on our website and Facebook as a pdf document. Each day there are physical and wellbeing tasks to challenge yourself and family members. They are designed to be done at home, with little equipment. I'd love to see or hear about how you get on!

- **Monday: Athletics (track and field)**
- **Tuesday: Aiming sports**
- **Wednesday: Team sports**
- **Thursday: Adventure sports**
- **Friday: Artistic sports**
